Ex Works (EXW)

Ex Works obliges the buyer to undertake export procedures (obtaining of licences, security clearances and so on.) The buyer may be poorly placed to do this. In any event the seller is only obliged to "provide assistance", at the buyer's risk and expense.

Free Carrier (FCA)

Seller arranges pre-carriage from seller's depot to the named place, and provide licences, security clearances. This will reduce your cost substantially.
Seller own truck vs 3rd party transportation fee

Free on Board (FOB)

Seller delivers goods, cleared for export, loaded on board the vessel at the named port. **Ocean Freight is quoted by 360FS and pay by you in Singapore. You are in full control of the shipment**
