Cost saving tips !

You are buying from worldwide suppliers into India, **you must select the Shipping Incoterms that benefit your company**

| CNF/CIF India Ports | Vs | Ex-Works / FCA / FOB |
|---|----|--|
| The Shipment will be arranged by your supplier | | The Shipment will be arranged by 360FS India |
| Ocean Freight is paid by your Supplier, hence you has no control of the shipment | | Freight Charges are quoted by 360FS and pay by you in India. You are in full control of the shipment |
| Huge India destination : shipping line and port warehouse charges waiting for you. You need to engage 360FS to customs clear and deliver the cargo to you at additional Charges | | Our Charges include : Ocean Freight + India Port's THC + Manifest + RSDS + Deconsole. Say No to huge hidden charges |

Ex Works (EXW)

Ex Works obliges the buyer to undertake export procedures (obtaining of licences, security clearances and so on.) The buyer may be poorly placed to do this. In any event the seller is only obliged to “provide assistance”, at the buyer’s risk and expense.

Free Carrier (FCA)

Seller arranges pre-carriage from seller’s depot to the named place, and provide licences, security clearances. This will reduce your cost substantially.
Seller own truck vs 3rd party transportation fee

Free on Board (FOB)

Seller delivers goods, cleared for export, loaded on board the vessel at the named port. **Ocean Freight is quoted by 360FS and pay by you in Singapore. You are in full control of the shipment**
